1 decision to enter into that contract?

2 A. No, I was not.

3 Q. And I am referring specifically
4 -- I know that Janssen contracted with
5 Xcenda to provide site of care programming
6 such as proactive practice management and
7 emerging trends in healthcare, but right
8 now, I am focused on the contract related
9 to gastro business specialists, where they
10 contracted with Xcenda to provide a team to
11 assist gastroenterology practices with
12 opening an infusion suite in their
13 practice.

14 Do you recall that contract?

15 MR. DUNN: Objection to form.

16 A. I recall contracting with that
17 team. That's not my recollection of their
18 responsibilities.

19 BY MR. PRESTON:

20 Q. What is your recollection of the
21 responsibilities of the gastro business
22 specialists?

23 A. They were an extension of our ABS
24 team using the same PRC-approved materials
25 and programs.
